I agree to pay annual dues of \$_____, which I may choose to have billed in twelve equal installments over the twelve-month billing period, January through December, unless I am a Social member, in which case I will make a one time payment. I also understand the dues may be increased on an annual basis and I will be notified before I am billed, at which point I may choose to resign my membership. As an Active or Privileged golfing member, I understand I am required to spend my established minimum each month on Clubhouse food and beverage purchases before tax and service charges from May through October. I understand I will be billed for the remainder if I fail to spend that amount. As a Junior member (other than age 18-20), I understand I am required to spend at least \$25 per month on Clubhouse food and beverage purchases before tax and service charges from May through October. I understand I will be billed for the remainder if I fail to spend that amount. I agree to pay for any special assessments as determined by the Board of Directors. I understand that I will be billed for the entire year's dues and minimum spending if I do not resign in writing by April 1st of any given year. I will read the By-Laws and Member Handbook of the Owosso Country Club and agree to adhere to them. I understand the Board of Directors must approve my membership. I understand the privileges that will be extended to me and agree to pay any fees applicable to the membership. I also understand that finance charges will be applied to any portion of my balance after the 15th day of each month.
