

2023 Men's Invitational Tournament Summary

On behalf of all of the Board of Directors, Committee Members and Staff at the Owosso Country Club, we would like to sincerely thank you for participating in our 50th anniversary of our Men's Invitational. The course was in fantastic condition, due to the tireless efforts of our Superintendent, Don Hartman and his staff. The cuisine was excellent due to the skills and efforts of our house manager, Dianne Rodgers and her staff.

As many of you are leaving and going back to your home and families, we wish you safe journeys, and a Happy Father's Day. We look forward to seeing you again in 2023.
