

Men's League 2024

Dear Owosso Country Club members,

Registration for the 2024 Men's League is currently available. The Professional Staff and League Chairpersons will work to try to have an even number of teams in both leagues. We will have two 18-hole divisions, the Grimes and Giberson. You may choose your partner or we can blind draw you a partner. **It is your responsibility to participate each week of the Men's League. We understand that circumstances may arise that would prevent you from participating every so often, but you should make every effort possible to play each week. It is more enjoyable for all league participants when everyone is playing each week.**

- We will have a sixteen week season, beginning on May 2nd. Schedules will be completed and distributed a week or so before the first night of league play. **The entry fee is \$150.** Cash or checks are acceptable, please make checks payable to **"Steve Wakulsky"** to allow me to deposit the money into our Men's League account.
- The format will be best-ball (foursomes) for both leagues.
- 85% of your handicap will be used for both leagues.
- Scoring for both Leagues will be Net Best-Ball, 1 point per hole. If there is a tie, ½ point will go to each team.
- Steve will plan a Fun Night(s) to be played during your weeks match. Payouts for the Fun Night game will be in pro shop credit.

Make Up Matches, Substitute Players, Blind Draws:

- It is your responsibility to notify your opponents and make the proper arrangements with them in a timely manner.
- We will have a sub list posted in the Pro Shop.
- You can start a match one man against two. The fourth player can catch up and play out the remaining holes; using the blind draw on the holes he was not present.
- You may use a blind draw as your partner. Each League will have its own blind draw for the day.
- You can scorecard match with your opposing team on a previous week when both teams have played.
- If you have not contacted your opponents and you do not show for your match, it will be considered a "no-show". Your opponents will get 10 points for that night and your team will get lowest point total for your division that night.
- You may make up your match if you choose not to play on your scheduled day. One week prior and ten days after your scheduled match is the guideline for make-up matches other than these exceptions:
 1. ***We must have all of the matches completed the week prior to position night, so teams know their opponents.***
 2. ***We must have all of the matches completed at the end of the first and second halves of the league to allow us to payout the winning teams those nights.***

If you are a new member and/or you need a partner, note this on your entry form and we will match you up as fairly as possible. If you cannot commit to playing every week you may sign up to play as a sub with no league entry fee.

Sincerely,

Tim Shaw and Steve Sobak, League Chairpersons
Steve Wakulsky, PGA Head Golf Professional
